

Implementation and Financial Plan for a contribution under the EGF

Aanvrager: [Naam van de organisatie]

Naam project: [naam van het project]

Actions	Cost of actions		
	Numbers of workers targetted (estimated number) a	Cost per worker targetted (estimate in Euro) b	Total cost (EGF and national co financing) Euro c=a*b
Under Part A please use a separate line for each separate action			
A. Actions (list individual actions planned) (Art. 3.1)			
Job-search assistance			0
Occupational guidance			0
Training and re-training			0
Outplacement assistance			0
Entrepreneurship promotion			0
Aid for self-employment			0
Training allowances			0
Measures to stimulate older workers, etc			0
<i>Other measures (specify; one per line)</i>			0
<i>Other measures (specify; one per line)</i>			0
<i>Other measures (specify; one per line)</i>			0
<i>Other measures (specify; one per line)</i>			0
<i>Other measures (specify; one per line)</i>			0
<i>Other measures (specify; one per line)</i>			0
TOTAL COST			0

NB: The indirect costs need to be converted into the direct costs as an increment (raise).

Notes:

Column a - Some workers may benefit from more than one action. Therefore the total number of workers targetted may exceed the number of redundancies

Column b - Estimated cost of the action per worker targetted

Column c - For Part B, the estimated total cost of each Technical Assistance category should be provided

Column c - The EGF may not finance more than 65% of the cost of actions under Parts A and B.
